

Grandparents as Parents (GAP) Group

Are you a grandparent raising your grandchildren?

The GAP Group will offer support to seniors raising children. Join us for a special grandparents/relatives raising grandchildren informational and support meeting. These free, on-going groups will provide the opportunity for seniors to come together to gain knowledge, education, and support. A snack or light meal will be served at each meeting. Childcare will be available for evening meetings dates. This group is partially funded by grants from the Bristol Brass General Grant Fund and the Wally Barnes Fund for Community Leadership Initiatives at the Main Street Community Foundation.

Evening Group: 3rd Monday monthly, 6-7:30 pm

September 19, October 17, November 21 and December 19

Bristol Senior Center (Rooms 100 and 109)
