Listed below are the new requirements for Esthetician, Eyelash and Nail Technicians, per the CT DPH.

Practice Act 2019-117 Overview:

Esthetician License Requirements 7/1/20: DPH requires completion of a course of not less than six hundred hours of study and holds a certificate from an approved school OR has practiced esthetics continuously in this state for a period of not less than two years prior to July 1, 2020 AND the applicant must attest to compliance with the infection prevention and control plan guidelines prescribed by the department under section 19a-231 of the general statutes.

Eyelash Technician License Requirements 7/1/20: DPH requires completion of a course of not less than fifty (50) hours of study and holds a certificate from an approved school or in a school outside of Connecticut that was approved by the appropriate regulatory body in the state at the time of completion OR Have practiced as an eyelash technician continuously in this state for a period of not less than two years prior to July 1, 2020 AND the applicant must attest to compliance with the infection prevention and control plan guidelines prescribed by the Department under section 19a-231 of the general statutes.

<u>Nail Technician License applications will be accepted by DPH starting in October of 2020:</u> Applicants must have completed a course of not less than one hundred hours of study and received a certificate of completion from an approved school or in a school outside of the state that is approved by the appropriate regulatory body in the state OR have practiced as a nail technician continuously in this state for a period of not less than two years prior to January 1, 2021 the applicant must attest to compliance with the infection prevention and control plan guidelines prescribed by the Department under section 19a-231 of the general statutes.

Nail Technician Trainee License: any person working as a nail technician on or after September 30, 2020, and does not have two continuous years practice as a nail technician, may apply to DPH for a nail technician trainee license, provided such person applies for an initial trainee license not later than January 1, 2021. Applications for training licenses will be accepted in early October, 2020. Trainees must apply to DPH and provide a fee of fifty dollars. The application requires the name and address of the spa or salon where such person is employed and the name of the supervising licensed nail technician.

- Trainees may practice as a nail technician full-time or part-time under the supervision of a licensed nail technician, at a spa or salon managed by a person described in section 198 of this act. Trainee licenses are valid for one year, and are renewable once for an additional year, for a fee of fifty dollars. No person shall hold such a license for more than two years.
- Once a person holds a nail technician trainee license for at least one year and has a statement signed by the supervising nail technician documenting the trainee has completed a minimum of twenty hours per week of training in the techniques of a nail technician and has the appropriate knowledge in the infection prevention and control plan guidelines pursuant to section 19a-231 of the general statutes. The trainee may then apply for a nail technician license online.

Reciprocity: Individuals who hold licenses in other states or territories of the United States may apply to DPH if said license is in good standing and has maintained said license for a minimum of two years. The Commissioner may allow a temporary license good for no more than 120 calendar days and is not renewable

School/Programs: Currently the approval process for schools is under review by DPH and will be posted on their website once completed.
