To: Hair Salons, Barbers and Nail Salons in Bristol and Burlington

From: Marco Palmeri, Director of Health

**Re: Re-opening of Hair Salons and Barbers only.
Info for Nail Salons**

Thank you all for your patience and compliance during this pandemic.

Regarding Hair salons and Barbers only: On June 1st, 2020, operators of hair salons and barbers may re-open their businesses if they choose and if they can comply with the State of CT rules outlined in the following link:

https://portal.ct.gov/-/media/DECD/Covid_Business_Recovery/CTReopensHairBarbershopsC5V051220.pdf?la=en

Remember, operators must also complete the **Self-Certification** process required by the State of CT which can be found in the following link: <https://business.ct.gov/recovery>

If you choose to re-open and have complied with the above requirements, including the regular everyday sanitary requirements, you need not contact BBHD. You may simply open at your own leisure **on or after June 1st, 2020**.

Soon, you will receive the BBHD License renewal application in the mail. Please remember to complete the application, as usual, and return it with a check for the appropriate amount. The fee will be adjusted accordingly.

BBHD staff will check to assure those businesses that are open on or after June 1, 2020 have completed the Self-Certification process and will conduct regular inspections as usual.

Regarding Nail Salons: The State of CT has not provided guidance nor notification regarding re-opening of these businesses/services. Please continue to be patient.

Thank you and be well.
