

## Pediatric COVID-19 Vaccination Options

Your Local Public Health Agency, BBHD, is here to remind you that vaccination against COVID-19 is still the best way to protect your child from contracting the virus. If your child is unvaccinated, we urge you to visit the locations below. Please contact the Bristol – Burlington Health District if you have any questions or need to retrieve a vaccination record.

Is your child age **5-11**? See below for vaccination options:

Community Health Center of Bristol, located at 395 North Main St, Bristol CT:

- Walk-in vaccine clinic hours from **10am – 4pm every Saturday and Sunday** for the foreseeable future. They accept all patients – including 5-11, 12-17 and adults.

Cambridge Park, located at 64 Davis Dr, Bristol CT:

- DPH Yellow Vaccination Van will be there on **March 2, 2022 and March 15, 2022 from 10am – 3pm.** They will be offering 5-11 COVID-19 vaccine AND 12+ vaccine.

If none of these options work for you, or you would like to *schedule your own appointment*, please visit [www.vaccines.gov](http://www.vaccines.gov) to view all pharmacies/grocery stores that offer the COVID-19 vaccine in your area.
